Satisfaction guarantee

No setup fee (up to \$200 in savings)**. Try us risk-free for the first 90 days. If you are not satisfied, you can exit penalty-free

Comprehensive customer support

Aligned account management and 24/7/365 customer support centre.

As a senior business development manager with Global Payments, I have worked extensively in the Optometry industry. I am focused on helping optometry clinics understand, optimize and improve how they accept credit card payments.

Reviewing your payment processing solution is an excellent method to reduce your credit card processing rates and, ultimately, improve your bottom line.

Please reach out to me for a free, no obligation cost analysis to identify potential savings opportunities for your clinic.

Innovation that delivers.

*This offer is valid through June 30, 2023, is subject to change, withdrawal or cancellation at any time, and is not valid with any other offer. Potential savings will be determined based on your existing processing rates, and is limited to interchange plus pricing offers. Proof of current processing rates (i.e. current processing statement) is required. This offer is available exclusively to net-new Global Payments merchants in Canada who have not conducted any business with Global Payments in the past 12 months. You must be approved for debit and credit processing by, and enter into a processing agreement with Global Payments Direct Inc. and/or a POS Equipment Agreement with Global Payments Canada GP, for a minimum three (3) year term. Global Payments reserves the right to determine qualified merchants and is under no obligation to approve a merchant or to enter into a processing agreement with any party. Global Payments may only increase fees or charges for its services if such increases are the result of an increase made by a payment network or a government entity. You may contact Global Payments for additional information about these fees. Void where prohibited. **Some restrictions, conditions and additional fees, including assessment fees/taxes may apply. The Global Payments logo are trademarks of Global Payments Inc. and may not be copied, imitated, or used, in whole or in part, without prior written consent. Payment processing and pricing approvals provided by Global Payments Direct, Inc. Terminals and terminal services provided by Global Payments Canada GP.
